BIO:

"Children are a gift from the Lord; they are a reward from him." (NLT, Psalm 127:3)

Our children are the future, and we will value them as such. Rebecca views her job as a precious gift from God. Her goal is to inspire and spark a love for learning, incorporating different ways of learning with visuals, hands-on activities, and repetition in the classroom.

Rebecca's family loves to vacation at Disney World and spend time watching movies together. They also enjoy outdoor activities such as; gardening, riding bikes, and playing with their dogs.

"I love to teach not just my students in class but my child as well. When I had the opportunity to teach my daughter, it inspired me to pursue teaching other children. Then, growing into my passion and love for the classroom." -Rebecca
