Mrs. Ghel/hammer

## ABOUT ME

I have been in education for 13 years and have been working with children in some capacity for the past 19. I have a BA in psychology, an elementary teaching credential and a special ed teaching credential. I have worked in various types of schools, but this hybrid home school model is my absolute favorite! I love the sweet blend of home and classroom based education.

As a 1<sup>st</sup> grade teacher, my priorities are strengthening my students' reading and math skills, building their independence and confidence, growing their faith, fostering friendships, and helping them to explore God's creation around them.

I am married and have three awesome kids, ages 9, 7 and 5. I love hanging out with my family, camping, hiking, gardening and taking care of our many pets!
