BIO:

Katie began teaching in the fall of 2020. She is a single mom to two beautiful redheads that keep her hopping. In 2018 Katie found her way to Crossroads Christian Academy (CCA) after a horrible Kindergarten year at another school. A friend pointed her to CCA because she knew they needed compassion, love, prayers, mommas, and teachers doing life with understanding. She never imagined in her wildest dreams to be homeschooling as the next season from the corporate world.

Katie realized that it was vital for her to understand how her kids approached learning to help them build a solid foundation. Inside this new role, people would ask her if it was strange teaching her children. She responds, "Honestly no, it taught me how to teach them and others more effectively." Outside of school, Katie is passionate about hiking, swimming, and playing with her girls. Also, she may or may not have a slight obsession with all things Disney.

"I believe God takes us through storms to see the challenges others face with humility and compassion." -

Katie
