ABOUT ME

All my life I just knew I wanted to be a nurse. But a few short years ago, God had made it abundantly clear that I was to in fact be a teacher! I went to school for Registered Nursing in Georgia wanting to work in Labor and Delivery/NICU. However, once my husband and I found out we were expecting our first baby, I made the decision to be a stay at home mom and decided I would later return to nursing. During those years, I ran my own in-home daycare, had 2 more babies, and moved to Tennessee where we found out we were expecting our surprise #4 baby!

A few years later I worked as a preschool teacher and that was exactly when I knew the Lord had been leading me down the path to work with children, just not in the nursing setting. Having 3 out of our 4 kids enrolled at CCA, I began subbing and instantly fell in love with the atmosphere at the school and the staff especially. I'm so grateful to the Lord for creating this yearning in my heart all my life to help children. Now through Him, I will have the ability to teach and encourage kids to grow in their own faith and follow the path that God has created for each of them!
