AND MORE...

Having the power to improve the lives of others is a privilege, one that is closely associated with its own sense of obligation. Acting on these powerful feelings of responsibility is an excellent way of reinforcing our own personal values and feel like we're living in a way that abides by our beliefs.

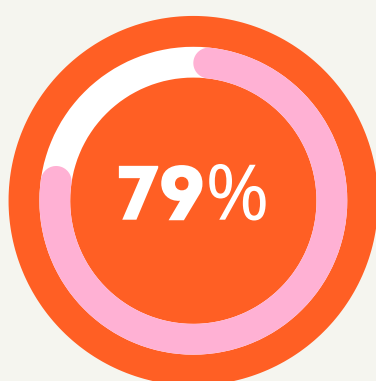

The mental and emotional benefits for our youth after volunteering are...

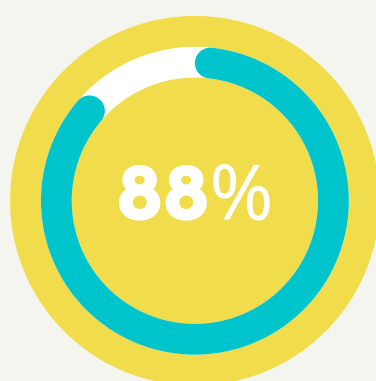

HAPPIER

93% reporting an improved mood after volunteering

LESS STRESSED

79% reporting lower stress levels after volunteering

SELF-ESTEEM

88% reporting increased self-esteem by giving back

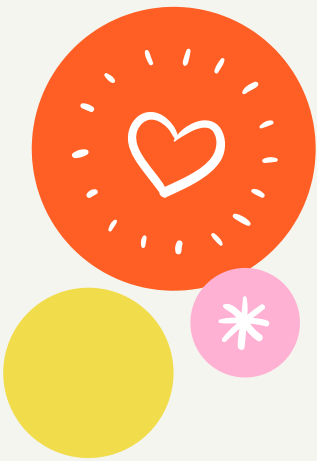

Studies show that tweens & teens who volunteer just two hours a week are 50 percent less likely to smoke, drink or do drugs. In addition, earn better grades and develop leadership skills that will help them throughout life. Community service builds character, teaches important lessons about responsibility, discipline, and teamwork.

GOD HAS GIVEN EACH OF YOU A GIFT FROM HIS GREAT VARIETY OF SPIRITUAL GIFTS. USE THEM WELL TO SERVE ONE ANOTHER.
1 PETER 4:10 (NLT).
